Re: Lockheed Martin Corporation, et al. v. MTA, et al.
Civil Action No.: 09 Civ. 4077 (PGG)

Dear Judge Gardephe:

Our firm represents Plaintiff Lockheed Martin Corporation in the above reference action, and also is co-counsel for the Sureties with Wolff & Samson PC. We have conferred with counsel for Defendants MTA and submit this request on behalf of all parties for an extension for the filing of remaining pre-trial materials (memoranda of law, proposed findings of fact and conclusions of law, proposed redacted declarations and exhibits, MTA deposition synopses and corrections to the joint pre-trial order) from Wednesday, July 23, 2014 to Friday, July 25, 2014. The additional time is needed to complete all the materials for filing which are extensive in nature.

Counsel also jointly request that the filing of motions in limine be extended from August 1, 2014 to August 4, 2014. Responses will still be due on August 15, 2014. Counsel are not asking to change the trial date of October 6, 2014.

The Sureties and the MTA also request the right to supplement their submissions as may be appropriate after the Court has considered the issues raised in the letters submitted by counsel for the Sureties and counsel for the MTA.
